Halton Waldorf School

Gather, Give, Grow Campaign...

We are very appreciative of all the families and individuals who made donations to our campaign last year. The support of our faculty, current families, and alumni families helped us to reach 77% of our fundraising goal by donating over \$46,000. Although we missed our goal of \$60,000 our

generous benefactor still donated their 'matching' gift of \$40,000 for which we are very grateful.

The board and faculty would like to thank again, all who supported the vibrancy of the school by participating in this campaign:
